CORPORATE PROFILE

> ABOUT ASL

With over 38 years of experience in the Qatari business community, Arabian Shipping & Logistics (ASL) has been a living proof of sustainable development with its leading position as one of the top five courier companies in a time-sensitive express delivery industry.

ASL, registered under “Arabian Construction Engineering Company”, holds the courier license in Qatar from the Ministry of Transport and Communications, which makes us the only courier and logistics company owned and operating under Qatari management.

With a myriad of features, benefits, as well as an expanding portfolio of value-added solutions that answered recent logistical challenges to become the-go-to entity for shipping and logistics services.

> MISSION

Connecting businesses, markets and people in a sustainable manner on a global scale through the collective positive power of qualified individuals.

> VISION

Excelling as the number one shipping and logistics company to enable retailers looking for a local clearance and delivery partner to streamline its supply chain in Qatar.

> VALUES

POSITIVITY

Our driving force is a robust positive attitude that we live by to solve problems, carry out our daily tasks and respond to our stakeholders and their needs.

PASSION

We are passionate about our customers and their interests, whether they're individuals seeking a hassle-free experience, or a corporation that can trust a reliable distribution operation.

AWARENESS

We are aware of the needs of our planet and the necessity for sustainability, which is why we seek green solutions whenever possible.
